

# Wheathampstead Parish Council

The Memorial Hall  
Marford Road, Wheathampstead, Herts. AL4 8AY

March 2017

Dear Resident,

## **Please read this carefully – it affects you.**

Wheathampstead Parish Council wants to work with our residents to identify all our housing needs over the next 15 years.

By completing the attached survey, you will help us to:

- Identify the types of housing our residents need
- Plan new housing requirements in the parish as part of our Neighbourhood Plan

The questions should be answered by an adult in your household on behalf of everyone who lives with you. Not all the questions may be relevant to your household. If that's the case, you should be able to complete the form in just a few minutes. Please return the completed form to the Parish Council in the attached pre-paid envelope.

We really want and need to hear from you, even if you are happy in your home, so please take the time to complete this brief questionnaire. As we plan ahead, it is vital that we take everyone's views and needs into account. So, if you only take part in one survey this year, please make it this one!

Cllr David Johnston

Chairman, Wheathampstead Parish Council.
